

The Background Rules

1. Absolutely **no talking on set**.
2. If issued a prop, remember to bring it to set every time and to return it to the Prop Department at the end of the day.
3. Keep valuables with you at all times. The holding area may be left unattended.

The following rules will be enforced with **zero tolerance**:

4. No photography of sets, or of actors at any time on the lot.
5. No tweeting, facebooking, texting, etc. with any set, performer, and/or story info. It's acceptable to mention you are on the show, but please keep it to that.

**Let's all be respectful and professional,
but above all, have fun!**
